Wondering what surprises to put under the tree for your little elves? You'll find plenty of inspiration in the following pages. Family Magazine brings you tried and true reviews of the highest-rated new toys, games, activity kits and play equipment. Visit **SanDiegoFamily.com** right before Thanksgiving to see our expanded online listing. You'll find so many toys, you'll think you've landed at the North Pole!

### **The Magic School Bus Microscope Lab** 5+; \$39.99

**[www.TheYoungScientistsClub.com](http://www.TheYoungScientistsClub.com)**

Join Ms. Frizzle on her Magic School Bus and explore the world from a different perspective-under a microscope! Young scientists learn about the history of the microscope, explore the different parts of this science tool, and discover how to use one. Teacher Gregory uses this with his students and 6-year-old Daniel says, "Wow, I never knew my hair looks like a worm!"
