

## Ultimate Kid Gift Guide

18 awesome presents for kids ages 5 and up

Whatever floats your kid's boat, we've got 18 cool present ideas to bust out for the holidays.

### Young Kids

Spark your child's interest in exploration with The Young Scientists Club's [Science on a Fossil Dig](#) (\$14.99). It's a simulation of a real paleontology fossil dig, so kids can search for artifacts with the scraping and brush tools and then examine their finds under a magnifying glass. (Ages 5+)
